

Walking Field Trip Permission Form

It is customary for us at Concordia Community Arts Play care to take the children enrolled in our program on walking field trips in the school community at different times during the school year. The purpose of such walks is varied. Students may observe neighborhoods, plants, animals or visit interesting places in the community such as the public library, local businesses and parks. In order to allow flexibility for these valuable activities, this permission will extend for the entire 2018/19 school year. The trip destination along with a list of students on the trip will be posted by sign in area. If a parent or guardian is expecting to take his/her student out of school for any reason during the school day, it is important to notify the school in advance what time check out will occur. Plans can then be made to be certain the student is in the building at that time.

I hereby give permission for my child to participate in supervised neighborhood walks during the 2018/19 school year.
