Recommendations for Parents to Consider when Enrolling

For babies and early toddlers, Kindermusik Level 1

- Age appropriate experience that’s paced just for our young “movers”
- Promote up to Level 2 anytime after age 2
- Want to go to class 2 times a week? Add a second class each week for only \$32 more a month.

For toddlers who will be 2 by the Fall, Kindermusik Level 2

- This toddler class is for ages 2’s and 3’s, so there’s time to settle in, find your voice, make friends, and learn by watching mom or dad in class (or grandma or the one you love!)
- Promote up to Level 3 or Level 4 anytime after age 3.5 when you are looking for more musical concepts or an independent experience for your child.
- Want to go to class 2 times a week? Add a second class for only \$32 more a month.

For children who will be 3 or 3.5 by the Fall – you have two choices:

- Enroll in Level 3 with a parent for “togetherness” time, especially if the child is transitioning to preschool for the first time and you want something special WITH them during the week
- Promote up to Level 4 with Intro to the Piano for an independent experience with the teacher for 35 minutes and then last 10 minutes with parent/siblings. Level 4 is a preschool music class with more hands-on instrument time, more ensemble development, more singing games & introduction to the keyboard. This class is our “PreOrchestra” experience preparing children for private music lessons in the future.
- Want to go to class 2 times a week? Add a second class for only \$32 more a month.

For children who will be 5 by the Fall – you have choices:

- Enroll in Level 4 to strengthen those foundational musical concepts and ideas and see if Piano Partners will be of interest in January.
- Promote up to Piano Partners for an introduction to piano (5-7 year olds).

Please note - all of our curricula now runs on a 2 year cycle. You are welcome to stay in an age group for 2 full years before you begin to repeat a class theme. You may also skip levels (i.e. move from a Level 2 directly into Level 4).
