Ongoing enrollment for ongoing success. Families love Kindermusik because we support a child's learning all year round. That's why we make it easy to stay enrolled. We simply assume you're here to stay until you tell us otherwise. You can even change classes when you need to – just let us know. If you need to pause or cancel your enrollment, all we require is written notice by the end of the month to avoid charges for the new month.

Unlimited makeup classes for as long as you're enrolled. Missed a class? No problem. Just give us a call, email or text to schedule a makeup class. You can make up in advance, attend a different class, or double-up on classes in the same week. All we need is to know when to expect you so that we can confirm availability with you and so that we don't overbook.
